The Loman Family Picnic

When the weekend takes an unexpected turn, everyone is forced to improvise, inciting a series of simmering jealousies, romantic outbursts, and passionate soul-searching.

New York Theater Scene

The family's youngest son, Mitchell Loman, is modeled after Margulies as a child. Equally disaffected is husband Herbie Peter Friedman , a 40-year-old, not-so-successful home appliances salesman apparently incapable of emotionally connecting, despite an intense desire to do so, with his wife or two sons: 13 -year-old Stewie Harry Barandes , whose upcoming bar mitzvah is the plot development that brings the family tensions to the surface, and 10-year-old Mitchell, the precocious but sweet dreamer of the clan. Thankfully, once that is over, the show is back on course.

Margulies currently lives with his wife and their son in New Haven, Connecticut, where he teaches playwriting at Yale University.

What's Wrong with This Picture?

Focusing on a novelist struggling with family problems, this play, too, has the ring of personal truth and personal experience.

The Loman Family Picnic

I expect that word of mouth will quickly sell-out the run of the extraordinary The Loman Family Picnic at this tiny theatre, so I urge that you get your tickets immediately. Jewish Theatre Book Review: While a frequently used term, Jewish Theatre has become a contested concept that defies precise definition. Lighting alone delineates the brief catering hall scene and the mini- Willy! The Pocket Instructor Literature Book Review: The first comprehensive collection of hands-on exercises that bring active learning to the literature classroom This is the first comprehensive collection of hands-on, active learning exercises for the college literature classroom, offering ideas and inspiration for new and veteran teachers alike.
