Temple Grafton, Warwickshire Genealogy • FamilySearch

In spite of its large extent there is little variation in height in the parish from about 350 ft.

Warwickshire monumental inscriptions place list

Below is an inscription recording his bequest of lands to provide 12 twopenny loaves every Sunday for poor inhabitants, and 10 yearly for a schoolmaster to teach the sons and daughters of the poor. The Irish and Welsh articles by G. The Surname Profiler Project provides a plot based on the postcode of the distribution of a surname in either 1881 or 1998.

Warwickshire Online Parish Clerks

A transcription of burials available at.

Parishes: Long Itchington

The son of the latter, another Ambrose, with Sara Harvey his wife, sold the manor to John Chamberlayne, citizen of London in 1671, from whom it passed to his brother Francis 1679. The remaining windows have segmental-pointed arches over square jambs.
