## LibriVox

Anna is a lovely lass who lives with a miser grumpy father.

### Anna of the Five Towns

It had a soft and assuaged appearance, as though it had never been new and could never have been new. Although Anna consents into everything imposed to her, she kind of starts making her own decisions to thread her future. The titular Anna acts as housekeeper for her wealthy miser of a father and her younger sister.

### Anna of the Five Towns by Arnold Bennett: Synopsis & Analysis

The World of Industry At her father's suggestion, Anna goes into a business partnership with Henry Mynors, a relationship that further immerses her in the unfamiliar world of industry.

### Anna of the Five Towns by Arnold Bennett: Synopsis & Analysis

Anna of the Five Towns is an enjoyable and informative read and also helped me to continue last year's experience.
