The Vision of the TDA The TDA is the community of dental professionals and the trusted voice of dentistry. Lawmakers are uniquely positioned to create more practitioners to provide routine preventive and restorative dental care to children in need.

Tennessee Dental Association

Currently, there are 2,012 brownfield sites across the state.

Oral Health Education Resources

Each exam question has the statute or rule that the question is from listed so you can look up the answers yourself. The Grow Your Own Program has been implemented in Clarksville Montgomery County Schools in partnership with Austin Peay State University and has proven to be an effective pipeline for LEAs to fill open teaching positions. This will allow organizations, like Mission of Mercy and Remote Area Medical Clinics which provide free dental services from volunteer dentists and hygienists, to take care of as many people as possible.

New Tennessee laws go into effect today; what you need to know

The assessment, which has been in effect since 2010, provides hospitals a portion of their unreimbursed TennCare costs. New law incentivizing development of brownfield sites in Tennessee to be effective on July 1 — Legislation incentivizing the development of brownfield sites in Tennessee was approved during the 2020 session of the General Assembly.
