THIS and THAT: Piero della Francesca in Arezzo

The curious collection of antique scales from Italy and all over Europe provides a peek into the very serious business of weighing out items both large and small. These soldiers are doing what people, unknowingly, do every day: closing their eyes to what is around them.

IC PIERO DELLA FRANCESCA

Outwardly the church is a gruff, honest building, dating from the end of the 13th century. The Jew is shown in one fresco being pulled from the pit by a rope, whereupon he confessed that Jesus was his lord and where the cross was located.
