### Modern Challenge to Religious Education, The: God's Message and Our Response

Dialogue — specifically raising questions — is more palatable to postmodern hearers than authoritative declarations.

### The Challenge Of Secularism

The values of routine, tradition and stability that define the church are distasteful in our fidgety age. For example, though one has not seen God, the witness of the Holy Ghost can provide sufficient spiritual evidence necessary to develop faith in his existence. The majority of pages are undamaged with minimal creasing or tearing, minimal pencil underlining of text, no highlighting of text, no writing in margins.

### Modern Challenge to Religious Education, The: God's Message and Our Response

. Farnsworth, whose research led to the development of the television; the chemist Henry Eyring, who developed the absolute rate of chemical reactions theory; and the physicist Harvey Fletcher, who pioneered the development of stereophonic sound reproduction.

### Modern Challenge to Religious Education, The: God's Message and Our Response

For the average modern man, however, it is more or less a lost world and one from which even the modern Catholic has been partially estranged by his secular environment and tradition. The only true knowledge is concerned with material things and with the concrete realities of social and economic life.

### Modern Challenge to Religious Education, The: God's Message and Our Response

As I soberly take on this new role in my local church I pray that God grants me and my fellow elders the wisdom to navigate these challenges with humility, faith and fortitude.

## **The Postmodern Challenge**

As a Catholic, all those issues that you find in the world come forth in community life.
