## John Martin Ellis, Against Deconstruction

Materialist Feminism and the Politics of Discourse. Perhaps today's crisis marks the ending of the global trajectory of liberal modernity. In many ways, this was the key vision of the postwar American architects of liberal order.

## Recontextualising violence, power and nature: The next twenty years of critical geopolitics?

The connections between domestic liberalism and liberal internationalism are multifaceted, and they have evolved over the last two centuries. How can one write the history of something so vast, so comprehensive, and so desired—desired particularly by historians themselves, many of whom took part in the republican project? This volume features updated translations of some of the most important essays from the French edition, as well as twenty-two newly commissioned English-language essays, for a total of forty entries.

## Recontextualising violence, power and nature: The next twenty years of critical geopolitics?

Renda's book seeks to contextualize the cultural interface of 'U. Universal rights and protections became more central to the ideological vision.

## Deconstruction after 9/11 / Martin McQuillan

Focusing on the film version of *The Fountainhead*, which shares much in common with film noir and Socialist Realism, Martin rejects as reification Rand's emphasis on property as the defining feature of human life. In the end, the sources of continuity in the postwar liberal international order become visible when we look at the alternatives. This was a vision of intergovernmentalism more than supranationalism.

## Bill Martin

. The story held that the one and indivisible Republic, committed as it was to equality and unity, tolerated neither local prerogatives nor internal diversity. But trade and exchange would need to be reconciled with government efforts to ensure economic stability and the security of workers and the middle class.

## **Kripke Center**

The wartime birth of the Republic shaped the representations and practices of the *res publica*.
