Yusuf I de Granada

Abu al-Hasan marched to Gibraltar, sent news of victory back home to prevent any rebellion in his absence, and crossed the Strait to the same night.

Category: Maryam Yusuf Jamal

In May 1342, a Marinid-Granadan fleet sailing in the Strait of Gibraltar was ambushed by Castilian and ships, resulting in a Christian victory, the destruction of twelve galleys, and the dispersal of other vessels along the Granadan coast. Technorati Tags: , , , , Based on the masterful West African classic, Matharatul Qulub, and the text's popular translation and commentary by Shaykh Hamza, this special workshop will explore the ways and means of the human heart and the Islamic science of its purification.

Yusuf Islam

She was featured in 's first feature 2019 horror film entitled, Exorcism of Alu, said to be screened across Nigerian cinemas from January 15. He was assassinated by a madman while praying in the Great Mosque of Granada, on the day of , 19 October 1354. Granada intermittently entered into alliance or went to war with both of these powers, or encouraged them to fight one another, in order to avoid being dominated by either.

Yusuf Islam

In turn, Yusuf fled an army of 8,000 in besieging , but was forced to lift the siege by the forces of the Master of the , Alfonso Méndez de Guzmán. Wirksame Hilfe durch die muslimischen Maghrebreiche konnte in Zukunft nicht erwartet werden. The eldest daughter married her cousin, the future r.

Yusuf I.

In diplomacy, for the first time in Nasrid history he sent an embassy to the of Cairo. He also carried out work in the , including renovations of the its bathhouse , as well as the construction of the Hall of the Comares, also known as the Chamber of the Ambassadors, the largest Nasrid structure in the complex. At Yusuf's encouragement, Abu al-Fadl then went to Castile to seek help from Peter.

Rekiya Yusuf

The attacker broke from the ranks of the congregation and went towards the Sultan.

Category:Maryam Yusuf Jamal

From Castile's point of view, Granada was a royal , while Muslim sources never described the relationship as such.

Yusuf I.

Reforzó sus defensas visitando más de veinte poblaciones, especialmente en la zona oriental hasta llegar a , así como ordenó construir más de 40 desde la frontera de hasta los de la ; en se reformaron la y el. Ibn al-Khatib was present—likely praying a few metres from the Sultan, given that he was then a high court official—and his works include a detailed narration of the events. Despite the safe conduct given by Alfonso, Yusuf's galley was attacked by a Genoese ship in Alfonso's service, which tried to steal the gold.
