Q Ships by Chatterton

She was due to arrive at Queenstown, but, as she did not return, the Q-ship Heather was ordered to search for her in the Bay of Biscay. It then fired three shells at us, which also went wide.

Nothing happened until activity seemed to be prompted by Mrs Manning Skipper Mannings wife who queried her £2 per week Pows allowance with the Lowestoft Base on the 23 rd of November 1917, and Lowestoft chased the Admiralty for any firm news of the missing crew. Werribee then decided to haul round and pretend to run away. Antwerp continued her chase, and got within four miles of the Andalusian, still afloat, but then the submarine dived and was never sighted again.

Mary B Mitchell (Q)

As long as people take any interest in the untamed sea, so will these exploits live, not rivalling but surpassing the greatest deeds of even the Elizabethan seamen.

Nelson was now down to five rounds of ammunition and in any case her gunner could no longer get a line of sight on the submarine and the boat was going down fast.

Pirate Ships

A quarter of an hour later she observed a submarine lying close to the steamer. She had left Falmouth two days before as the Arius, of Riga, then as the French Cancalais, of La Houle, and cruised between the Lizard and the Owers, to Guernsey, and in the neighbourhood of Ushant.

Q Ships by Chatterton

In the Holyhead-Kingstown steamer I found myself in conversation with a junior lieutenant-commander, R.

Moreover, even if a little of the sea got into the bilges where the batteries were placed there was trouble also. These Dawes and I hammered home, and made her fairly tight. The crews, led by professional naval officers, but consisting of men from many different backgrounds, had to live the parts they were playing.

Britain's WWI Mystery Q

The place was full of smoke, but though I pulled things about blindly, as it was impossible to see anything, I could not see any glow to indicate a fire.
