The economic approach includes providing the services and welfare programs for poor urban Shia that make up Sadr's constituency. In academic environments today, Internet use among faculty members has been widely expanded, with professors now integrating Internet technology into classroom activities. A was to visit the British Library in London, in particular the section on oriental manuscripts.

Plicht, Margherita Hack, et al. Keywords: Intensive Program, Arabic Language, Evaluation.

Books: 'Jāmi'at al

Abstract: This research aims to develop Individual Differences-Based Speaking Skills Learning Model in Arabic Language Education Program of Institute for Islamic studies Batusangkar. Dans le traitement de ces deux dernières questions, Rāzī élabore une critique des revendications épistémologiques de l'abstraction taḡrīd qui constituent la fondation des théories d'Ibn Sīnā sur la nature et les facultés de l'âme humaine.
