What Impact Did The Protestant Reformation

Based on the AP European History lectures of Lowell Benner at El Modena High school. The Protestant Reformation caused the Roman Catholic Church to initiate its own reform.

Reformation of the 16th Century

At one point Erasmus is claimed as a reformer, alongside Luther and Calvin. Gerrish devotes three essays to each of four topics: Martin Luther and the Reformation; religious belief and the Age of Reason; Friedrich Schleiermacher and the renewal of Protestant theology; and Schleiermacher's disciple Ernst Troeltsch, for whom the theological task was to give a rigorous account of the faith prevailing in a particular religious community at a particular time.
