Mainstreaming the Northeast in India's Look and Act East Policy

Besides, international organisations such as Asian Development Bank ADB , World Bank, UNDP, etc.

Act East Policy: Japan's Investment in North East India

Negligence has been observed over all this time for the whole region including the eastern neighbour Myanmar. Though the loan that Japan has granted to India is in lowest interest rates, 30 per cent of the value of the project has to be given to Japanese firms. He authored several books and a large number of research papers in reputed national and international journals in the areas of Public finance and policy and Development economics.

India's Look East Policy and the Northeast: Bridging Spaces or Widening Schisms?

During the Brahmaputra Pushkar-2019 from 5th to 16th November it has been observed that large numbers of devotees has come from other states of India however the flow will be even more from the Southern states; for taking holy dip and to perform Tirtha Shradha, Pinda Dan, etc. It is the time for India to give special status to North East and integrate it with rest of India for better economic growth, sustainable development and security without disturbing the environment and nature. Looking beyond the border and releasing the region from the post-partition territorial trap has been dreamt of through connecting with neighbouring countries and beyond through trade, commerce and communication.

India's Enhanced Look East policy takes wing

Srikanth is currently Professor at the Department of Political Science, North Eastern Hill University, Shillong, Meghalaya, India. After 's rise to power in China in 1979 and the subsequent , China began reducing threats of expansionism and in turn cultivated extensive trade and economic relations with Asian nations.
