## Our favorite books of 2019

In *On the Stroll* I wanted to explore homelessness: the old homeless woman and the young girl. With the knowledge of sixty-some years behind me, realizing that family—the subject of the book—is far more important in shaping a life than I admitted in my youth, I tried to explore the meaning to me of my family, a subject absent from the forward-looking *Prom Queen*. Interviewer: In *Drinking the Rain*, you seem to suggest that solitude is a natural state, even an empowering experience.

## MEMOIRS OF AN EX

All she needs to succeed is to keep her skin clear and her intelligence hidden under her Prom Queen tiara. While she still has time, she embarks on an adventure of self-discovery and sexual exploration.

## Memoirs of an Ex

And abortion rights, without which there can be no equality, are always being chipped away.

## Memoirs of an Ex Prom Queen

He was a great resource.

## Detailed Review Summary of Memoirs of an Ex

As his hero moves between India, New York and Venice Ghosh weaves in the threats to coastal communities, the impacts of climate caused migration, and the possibility of poisonous snakes and insects appearing in unexpected places. Typing prowess and wedding-night virginity may no longer be expected, but Shulman's tale of Sasha Davis's struggle to find herself amid conflicting cultural messages about beauty, brains, and sex will be resonant for many more years to come. I would recommend this book, but would also suggest that it isn't a comfortable read for those who expect it to be about old-fashioned gender stereotypes.

## Memoirs of an Ex

Sasha is a woman who represents the reality but also indicates in which direction women empowerment efforts should focus.

### **Memoirs of an ex**

Another surprise is how much time the team spent training in Minnesota in the two years leading up to the games.
