Silhouettes of American life : Davis, Rebecca (Harding) 1831

BYE AMERICAN, 1853-1949 MIXED MEDIA FOLK ART, Late 19th century. The silhouetted form of the face and body is hollow cut over black paper with great intricate accents to the hair and collar of the dress painted onto the top paper surface. A double silhouette of Sylvia Drake and Charity Bryant, made in the early 19th century, shows two young women in profile, facing each other, their images attached to a piece of silk, with thin braids of hair framing them, forming a heart shape.

Wall Vinyl Decals (Life

For an example by the same artist, see Garth's Auction, November 1989, lot 21. What is the cost difference between a silhouette made in removable or permanent vinyl? A room of work by Kara Walker plays with the nostalgia inherent in shadow shows, silhouettes and magic lanterns, to make real the grotesque and violent history of racism and slavery — the economic engine that produced the leisure that made it possible to revel in these entertainments.

480 Silhouettes Tree Silhouettes ideas

Removable vinyl is great for indoor areas safe from prying fingers.
