## Secession in the United States

It was denominated a Federal Constitution by its advocates in recommending its ratification-- see Federalist passim--the Union formed by it was called a Confederate Republic-- Federalist, No. Can any reasonable man be well disposed toward a government which makes war and carnage the only means of supporting itself? I do not expect the house to fall. It is thus that all the numerous rights and powers of civil administration in the several States, and the individual rights of the citizen under their respective State Governments, not reserved by enumeration, nor prohibited in the Constitution, are retained by the respective States.
