Colorado Headwaters Fisheries Management: February 2013

Crappie are hitting well on crappie jigs along the dam and bass are being taken on spinnerbaits at the north end. Bear Creek - Water is clear and fishing is fair to good. Anglers should use Strip Leeches and Black Water Pups.

Colorado Fishing Resource

Terrestrials are catching a lot of fish. I hope you are able to establish a reproducing rainbow population in the river.

Colorado Fishing Resource

Early morning, before heavy boat traffic slows the bite, is the best fishing time. Use small patterns of light color 14-16 and dress the fly well so it stays on top of the water. But the fact that we've been able to document these things has set the stage for what I think will be some generous mitigation measures that would not have otherwise been possible.

Find Out All About Kokanee Salmon Fishing in Colorado

North Fork of the N. Sanchez Reservoir - Boat ramp is accessible. Night crawlers and Power Bait are the most effective baits here.

Find Out All About Kokanee Salmon Fishing in Colorado

Mepps spinners also catch fish. Special snagging seasons are offered on some areas during spawning runs, and provide much of the catch for these delicious salmon. Trout fishing is best morning and evening near the inlet and deep coves along the north shore.
