## No Dog Park? No Problem! Here Are Some Creative Ways to Cope

In its most mundane form, dog walking is about humans enhancing a dog's and also their own quality of life. What Your Favorite Dog Breed Says About You The source of the info about dog breeds and personality traits is by Vicki Croke and Sarah Wilson.

## Dogology: What Your Relationship with Your Dog Reveals About You by Vicki Constantine Croke

Does it mean that the dog person is by nature more accommodating, willing to work harder at relationships, and lives a more complicated life than a cat person? Loses focus and ignores me when there is a lot of activity occurring in the environment 19. But the social nature of the walk is certainly not a given. He found that in 81.

## Sarah Wilson (dog trainer)

Pulls on the leash when going on walks 16. This is because 'dogs are not human children,' Coren explained.

## Dogology: What Your Relationship with... book by Vicki Constantine Croke

It takes two to tango, so it is important that we look at both sides of the relationship, or both ends of the leash. You are a natural leader, have no self doubt and do what you do.

## What Your Dog Says About You

Turns out I'm equal parts Expert, Soul Mate, Buddy, and Observer. Soul Mate: You and your dog are inseparable. As well as having the cutest raggedy puppy on the cover, this book intrigued me because it combines personality types with dog breeds.

## **What Your Dog Says About You**

Walking with a dog is beneficial for mental and physical well-being, but the process of walking with an animal also involves detailed interactions. One respondent felt that as her dog had been rescued she had a 'right' to a good life and giving her a long walk daily was part of this care-giving. Despite the routine nature of walking, when accompanied by a dog, it becomes anything but ordinary and reveals something quite special about our relationship with some animals. After all, like those who bring the mail, neither rain nor sleet nor heat nor gloom of night deters the dog owner.
