Global University Rankings, Tuition Fee, Requirements

Average GRE score is 155 for Verbal, 167 for Quantitative and 5. If your full-time programme of study has a duration of at least eight months, and is a minimum of two semesters, but is less than 120 credits, you can work full-time over the Christmas and New Year holiday period.

UK University Entry Requirements

Experiences and references Since UK universities are top-ranked and highly selective the number of available places are most of the time limited and way lower compared to the number of incoming applicants.

A guide to UK tuition fees and student Preparing for university as an international student

Documentation required: You will have to provide the acceptance letter sent by the university reflecting that you have been selected for the course and the schedule of fees. Take copies of your important documents, like your passport and credit cards, and keep them separate from the originals.
