### 15 of the Most Famous Paintings of Mark Rothko

Heavily influenced by mythology and philosophy, he was insistent that his art was filled with content, and brimming with ideas.

### Mark Rothko

In the early 1940s, Rothko experimented with automatism and Jungian biomorphism. Additional support is provided by the Corporation for Public Broadcasting, Rosalind P. And if you are moved only by their color relationship, then you miss the point.

Early Rothko - the Realist Works The vast majority of Rothko's realist work came at the beginning of his career, even before he had taken up art as full-time work, and it was largely surrealist in nature. On February 25, 1970, Oliver Steindecker, Rothko's assistant, found the artist in his kitchen, lying dead on the floor in front of the sink, covered in blood. Found on the campus of St Thomas Catholic University in Houston, Texas, this is one of Mark's most involved works as he was not only responsible for the paintings, but he was instrumental in the actual design of the building that houses them.
