TEN Q&A on company law in Europe: Romania

Shareholders' Rights and Litigation Edited by David Cabrelli 11.

Company Law and Corporate Governance

Can a foreign individual or company own shares in a Dutch company? Artificial Legal Person A company can be considered as an artificial person a person who cannot act on his own will.

European corporate law

Anyone can become a director provided that they do not have a management ban which may be imposed by a judge. Purpose of grouping is to facilitate the economic activities of the members. First of all company can purchase its own shares only up to amount of profits available and available reserves.

EUROPEAN COMPARATIVE COMPANY LAW

Some of the substantial resultants of companies limited by guarantee are charities, community projects, clubs, societies, etc.

TEN Q&A on company law in Europe: Romania

What types of company can be formed in Romania? We have treaties in which we find basic rules regarding legal order of eu. For example in shareholder meeting, there are some basic rules that apply to every company, some rules that apply only to close companies, and some rules that apply only to listed company.

Company law

Furthermore, events that occur as a matter of state law, such as mergers, consolidations, conversions to a different form of entity, dissolutions, and winding-ups all require a filing with the Secretary of State in order to make the event effective under state law. Sources How can we decide which

legal rule should prevail? What are the rules for issuing dividends from Dutch companies? A full set of online registration procedures for businesses has not yet been provided by all Member States, despite the fact that online registration is twice as fast on average and can be up to three times cheaper than traditional paper-based formats. The solution given by the law is that the funders or promoting member or, in case of increase of capital, the directors, are responsible: they are liable and they must fully pay up the shares.
