The Ultimate List of the Best Picture Books, Endorsed by Kids + Parents

Perfect for kids who could stand to loosen up and get in touch with their silly side. Kevin Henkes lives with his family in a house in Madison, Wisconsin. All opinions are my own.

Little Picture Books

So I just learned them by heart!! I just requested half of them from the library: I teach Preschool, and lots of these are perfect for my class! Model lots of language for your child to hear and learn. Then almost all of the books are not so nice and funny.

The Ultimate List of the Best Picture Books, Endorsed by Kids + Parents

I cover a multitude of topics including business start-up, money saving and spending, not trusting strangers and more.

Little Picture Books

Ask questions relating to the objects or characters within the book. Repetition is key to learning these new words.

Tiny Books

For some read-aloud inspiration, of the author reading it to a group of kids. Remember to REPEAT REPEAT and REPEAT the words so children have the opportunity to hear it and learn it for themselves. Ok I can't stop myself... one more that I may like a little more than my son 5.
