## A Rural Economic Development Strategy for Prince Edward Island

They ensure safe travel for Islanders and visitors alike.

## Prince Edward Island to benefit from new UPEI research centre for climate change and adaptation

Investing in the Canadian Centre for Climate Change and Adaptation is an important step that will build on our current efforts, while preparing future generations of leaders to further reduce impacts to the environment. The project includes asphalt resurfacing and shouldering which will in turn improve road safety, structural strength, ride quality and extend their useful life by 15 to 20 years.

## Rural Communities Council

The project will result in all new structures, asphalt and slope protection to provide motorists with safer and more reliable road infrastructure. . The province is named for Prince Edward, who was the fourth son of the British King George III and the father of Queen Victoria.

## New council to help Island rural development

Occupational therapists who wish to see services expand in community settings must be prepared to take an active role in program development. The project includes asphalt resurfacing and shouldering, which will in turn improve road safety, structural strength, ride quality and extend the life by 15 to 20 years.

## Economic Growth Program

The co-chairs of the groups will meet once per year with the Premier and Minister of Fisheries and Communities. For residents and property owners of Wellington Rural Municipality of Wellington Official Plan and Development Bylaw Presentation Please join us for the presentation of the proposed Official Plan and Zoning and Subdivision Bylaw. Applications can be forwarded to Engage PEI and members will be appointed by cabinet.

What is the time commitment of the council? Thank you to the Royal Canadian Legion Branch No 17, Island EMS, RCMP, bus drivers of la Commission scolaire de langue française and the Public School Branch as well as all volunteers who have assisted during the event. If you have any questions, please call 902-854-2920 during opening hours, Wednesday 10:00 am to noon and Thursday, 6:00-7:00 pm. They include a top-up to the Connect to Innovate Program, a new Universal Broadband Fund, and investments from the Canada Infrastructure Bank.

### **New council to help Island rural development**

Keywords: rural development strategies, creative class, creative economy, Prince Edward County. Searching homes for sale in Prince Edward Island has never been more convenient.

### **Prince Edward Island Real Estate**

This tendency is not only totally unacceptable, but also to a degree frightening. Appointments will be for two 2 years, renewable once. As we navigate this new path together, I continue to be impressed with the resilience, vision and optimism shown by our community leaders.
