History of the United States from the discovery of the American continent. By George Bancroft.

The people constituted themselves the fourth. While, in revolutionized England, the triennial parliaments were dependent for the time of their election, prorogation, and dissolution, on the will of the sovereign; while Papists were persecuted, and dissenters disfranchised; in Pennsylvania, human rights were respected.

France was, through Colbert and Seignelay, become a great naval power, and had given her colonial system an extent even vaster than that of the

British. His death interrupted the short period of harmony in the colony; and, happily for New York, Lord Cornbury, his successor, had every vice of character necessary to discipline a colony into self-reliance and resistance. In the following February, in France, at the cathedral of Our Lady 1641 of Paris, a general supplication was made that the Queen of Angels would take the Island of Montreal under her protection.
