John Pawson does Jutaku!

Wouldn't use it as food for thought, but rather food for imagination. It is impossible not to be thrilled by their invention and sheer originality. Quirky, surprising and entertaining - with more than 400 houses, Jutaku is architecture at the speed of Japan.

Jutaku: Japanese Houses by Naomi Pollock

Sensōji Temple is a few steps from Asakusa Station, served by the Ginza Subway Line, Asakusa Subway Line and Tobu Railways.

John Pawson does Jutaku!

After a short but interesting introduction to some of the concepts you'll see later in the book, it's just beautiful photographs of really cool, mostly very tiny, Japanese houses, with a few statistics, such house size and plot size, and neat little visualizations of how much of the plot's footprint is taken up by the house and how big the house is compared to all the rest of the houses in the book. More info Find out more about. Small, energy-efficient single family homes could be just the thing for cities attempting to make the most out of every square inch of space.

A gift full of ideas.

Jutaku by Jordan Draper — Kickstarter

Many may not be A gift full of ideas. As a strategy for sustainable growth, kyosho jutaku make a whole lot of sense. View of the Nakamise from above Beyond the Hozomon Gate stands the 's main hall and a five storied pagoda.

Jutaku by Jordan Draper — Kickstarter

If you listen to the architect , the craze for kyosho jutaku, that distinctly Japanese variant of the micro home, started in the thirteenth century, when the poet Kamo no Chomei penned an essay about the joys of living in a shack called. Unlike more ubiquitous micro-apartments, micro houses are

built for single families.

A Brief Glimpse of Senso

Quirky, surprising and entertaining - with more than 400 houses, Jutaku is architecture at the speed of Japan. The was completed in 645, making it 's oldest temple. Alongside typical Japanese souvenirs such as and folding fans, various traditional local snacks from the area are sold along the Nakamise.

Tokyo Travel: Sensoji (Asakusa Kannon Temple)

Consequently, Sensoji was built nearby for the goddess of Kannon.
