### Fountain of Grace

The Christian life is a journey of perfection towards a spirituality oriented towards Heaven and God.

### Fountain of Blood

Fada Mike Michael Onuh Ogwuche, CSSp is a member of the religious missionary Congregation of the Holy Spirit under the protection of the Immaculate Heart of Mary known as the Spiritan Missionaries. FUNDAMENTAL QUESTIONS In our life journey amid all its burdens, stresses and disappointment, how often do we make out time to rest by trusting in God to take charge? The reader gets a taste for the Carmelite Rule, history and some of its major figures.

### The Dangers of “Christian” Psychology

Its psychology is as unstable as water.

### Fountain of Christianity on Apple Books

Indeed, it is only those who are drawn by God that can accept Jesus as Lord and Saviour. What about the time we spend on our phones or Netflix, or other recreational activities? Or do you seek the Lord to fill in with riches of his fountain: his word or the Eucharist? Where is the fountain or sustenance of life or spiritual life? Its purpose was never to make a man righteous, but rather to point men to Jesus when He would come to the earth. The book begins by providing some historical background to the Carmelite order.

### Almighty God, the fountain of all wisdom

As Christians our concentration should be on Jesus and allowing His divine life to flow in us, producing the desired fruit of the Spirit. As with all the books it is simply written and concise providing an overview and introduction to Carmelite spirituality which is clear and manageable without any prior knowledge of this particular tradition.

**EUCCHARIST: THE FOUNTAIN OF THE CHRISTIAN LIFE; CATHOLIC SUNDAY SCRIPTURE REFLECTIONS: 19TH SUNDAY IN ORDINARY TIME, CYCLE B, 2021**

When we read the first five books of the Bible, we need to realize that they were all written by Moses. Israel has a long dry season with relatively few natural springs, so catching winter rain in cisterns was very important. This is why depression and suicides are skyrocketing.
