Single parent? Tips for raising a child alone

You may also join a support group, or hire a babysitter to take care of your little one. Don't make assumptions Assuming that a single mother 'needs' you or wants something particular out of a relationship isn't helping to build a partnership based on trust and honesty.

12 Gut

As a single parent, you're probably used to being independent, whether out of necessity or preference.

Single Working Parents

After three months the researchers used an

ethnographic interview to address whether or not the participants used mental health services that were referred to them. There are even some that argue that a single parent family is not even really a family.

11 Strategies for Dating as a Single Mom

Traveling is also made more complex, as the child must either be left in someone else's care, or taken along. So when you do have time together, make it count.
