

Structural mechanics in reactor technology.

North-Holland - 26th International Conference on Structural Mechanics in Reactor Technology (SMiRT 26)

Description: -

-Structural mechanics in reactor technology.

-Structural mechanics in reactor technology.

Notes: Transactions of the 4th International Conference on Structural Mechanics in Reactor Technology.

This edition was published in 1977

Filesize: 52.83 MB

International Journal of Rock Mechanics and Mining Sciences, Bungier AP, Sarout J, Kear J, Delle. Research in fracture mechanics over the past few decades has shown that the crack tip deformation process is governed by the overall crack driving force, often expressed as the J-integral, and the inherent resistance of the material to plastic deformation.
