A small yunomi cup made in 1919 is rather sweetly decorated with the kiln and studio he established in this rural idyll. Dad had been in and out of hospital in the early 1970s, when his condition began to deteriorate. She began working from home, putting the beads she had collected together with her own silver beads to create necklaces and earrings.

### 240 Bernard Leach ideas

Dad spent his final two years in hospital, during which time Mum had rekindled her interest in jewellery and had begun attending an evening class in contemporary jewellery making.
