East Midlands Chamber (Derbyshire, Nottinghamshire, Leicestershire)

Through our extensive programme of trade missions, training courses, seminars and business clinics, we help you target the regions most likely to achieve results. Our membership criteria is based on the size of your business, so the amount you pay to become a member is relative - minimising risk and maximising value. The Chamber is here to represent the views of North West Leicestershire's businesses for the sole purpose of improving the environment in which we can do business.

LCC

. Find a business Need to find a member? With a growing membership of more than 4,100+ businesses and 3,000 affiliates, it is the second largest Chamber of Commerce in the country. Our Goal All businesses have a voice - being heard has never been easy.

LCC

Use one of the search tools below: I need a business in the sector. The Chamber is the leading business organisation in the East Midlands.
