There are a number of important factors that could cause future results to differ materially from historical performance and these forward-looking statements. The CARES Act provides an insured depository institution, a bank holding company, or any affiliate thereof with the option to temporarily suspend application of the New Credit Loss Standard until the earlier of the date on which the national emergency concerning COVID-19 terminates or December 31, 2020. The fair market value of derivative contracts held by banks reflects the contracts' replacement cost and is far smaller than the notional principal amount.

In asking banks how demand for mortgages to purchase homes has changed over the past three months, the BLPS instructs banks to consider only new originations as opposed to the refinancing of existing mortgages.

Savings and Loans: History and Operations

Tax returns may be e-filed without applying for this loan. We believe these non-GAAP financial measures are useful to investors both because 1 they allow for greater transparency with respect to key metrics used by management in its financial and operational decision-making and 2 they are available to institutional investors and analysts to help them assess the strength of our business on a normalized basis.
