Sources On Environmental Ethics

May be very minimal identifying marks on the inside cover. The Writings of Henry D. He hired a young aide, John Sayler III, who in the space of a summer drove 18,000 miles across the country in a government sedan and, armed with a government checkbook, purchased hundreds of thousands of acres of wetland, marsh, saltwater estuary, and woods where birds nested.

SIERRA CLUB WETLANDS READER: A LITERARY COMPANION By Sam Wilson *Mint Condition*

For me, it was a thrill to return to the original text for the first time in a long while.
