It is quite peculiar as to why Sri Rama should start teaching about ruling after a re-unite with Bharata. Sage Narada was not a part of Vedic Literature. A hundred more known and twenty five thereafter.

Ramayana

Rama did not do it himself, but his brother Lakshmana does the act of cutting the nose and ears of this demoness, which is the twisting point of the story. Some folks make a guess that one of his disciples composed and added these to the work. Even without knowing much Sanskrit, the poetry and the rhyme are quite enjoyable and in places stunning
