**Apache2 Ubuntu Default Page: It works**

I think Hitler and Göring were such fascinating characters in so many ways. SH: Some of it is.

**Nazi Regalia by Jack Pia**

Documentation for the web server itself can be found by accessing the if the apache2-doc package was installed on this server.

**Church drops Nazi regalia**

SH: Yes, now they do because designers have become more involved in the identity of state, and certain states have laws like the Nazis did. Those include actual prints that were developed during the war using the technology that was available at the time. It seems our meeting in the winter stirred something in Wheatcroft, a realization that there were duties that came with owning the objects in his collection, obligations to the past and present that had become burdensome to him.

**This man owns the largest collection of Nazi artifacts**

This soft-cover booklet shows some age and use, and has several old repairs with inner hinges strengthened with clear tape. It was Adolf Hitler who joined the party and became their ersatz art director by becoming head of a propaganda or publicity division.
