## U.S. Slavery: Timeline, Figures & Abolition

Trump never got to the plate. And eighth, we will manage the biggest geopolitical test of the 21st century: our relationship with China.

## A Foreign Policy for the American People

To beat it back, we need governments, scientists, businesses, and communities around the world working together. He is the founder of Prager University and may be contacted at dennisprager.

## The Myth of a Majority

The same Pew Study found that over the last thirty years the nation has grown more partisan and Congress has become less effective. He supposedly got the most votes of any candidate in history. A senile old man who never left his basement got more votes than former Presidents Obama and Clinton? Shopping malls, meals, people, cars.

## The Single Best Thing Americans Can Do to Retake America by Dennis Prager

Their obsession with curtailing freedom of speech and casting anyone who disagrees with them as potential domestic terrorists that must be muzzled and ostracized will foment ongoing societal unrest. For example, people who identify as Hispanic and white, or Asian and white, tend to start life in more economically favorable situations than most minority groups, are typically raised in largely white communities, have above-average educational outcomes and adulthood incomes, and frequently marry white people.
