## book recommendations

His plan was approved by General-in-Chief and the War Department. . Much wisdom was apparent in the...conversation of these ancient gentlemen.

## William R. Trotter Books

He therefore agreed to adhere to his first terms.

## Battle of Plymouth

Trotter eschewed the traditional graduate-school MFA route to literary respectability and job security , choosing instead the goal of actually supporting his family entirely by writing. Parker and his men got off a few wild shots that did no harm, but they found that their guns would not bear once the Federal fleet was upstream.

## Siege of Fort Macon

Description: From the drama of blockade-running to graphic descriptions of battles on the state's islands and sounds, this book portrays the explosive events that took place in North Carolina's coastal region during the Civil War. The bombardment began at dawn on April 25. The men were not properly trained and the guns available were short-range weapons.

## Battle of Elizabeth City

The busy little privateer was spotted by a Federal warship on July 30, but she nimbly ducked between two sand bars and reached safety in Beaufort harbor. But there was concern in Wilmington that Lincoln was prepared to dispatch troops in sufficient numbers to turn these positions into genuine bastions, just as a similar concern was felt throughout the lower Piedmont about the Federal arsenal at Fayetteville. The Confederate return fire was accurate enough to hit two vessels, doing little damage and slightly wounding only one man.

**Ironclads and Columbiads: The Coast (The... book by William R. Trotter**

Throughout the Civil War, North Carolina's coast was of great strategic importance to the Confederacy. The Confederates lost 23 killed, 58 wounded, and 62 missing.

### **book recommendations**

If supplies delivered through the blockade or transported from the deeper South were to get through to the Virginia front — where they were most urgently needed — that railroad was vital. After detailing 15 men to stay behind and man Fort Johnston, the Cape Fear bravos — now in high spirits indeed — set sail on January 10 to capture Fort Caswell.
