### Manitoba Education

Keeping Indigenous Languages and Cultures Strong The NT ILC curriculum is part of the Northern Territory Board of Studies the Plan. In selecting materials and developing collections for adults, as well as for children and teens, library staff includes materials that represent the broad range of human experience, reflecting the ethnic, religious, racial, and socio-economic diversity not only of the region it serves but also the larger global perspective.

### Manitoba School Boards

Beginning February 1, 2011, practices in Manitoba schools related to these areas will align with those described in this document. ILC Curriculum Implementation guidelines have been developed to support schools in engaging with the Plan and the long term goals of building ILC teaching and learning capacity across the Northern Territory.

### Manitoba Education

Criteria for selection of materials in these libraries are dependent on the goals and objectives of the library and the academic institution and

departments that the library serves. If the suggested review date has passed, the policy remains current until the review is undertaken.

### **Selection Criteria**

The primary function of a school board is the determination of policy. My Learning at Home offers parents and caregivers a collection of online resources to support and encourage meaningful family-centered learning at all grade levels. Every student enrolled in a Northern Territory government school is entitled to receive an allocation of 26 semesters 13 years of government school education from Transition to Year 12.

### **School policies**

For libraries serving minors, librarians should consider age, social and emotional development, intellectual level, interest level, and reading level.
