Economics Reading Lists by Topic

Posted in Manitoba Modern Economics, Technology and the Environment releases a presentation that was done for a University of Winnipeg Economics Class in November 2010 called. This text is an examination of the inroads made by the sovereignists over the year leading up to the referendum. I don't mean that it alone constitutes the heart, which is after all a complex place.

Canada

However, taken together, they provide a balanced view of many factors that affect economic growth. The paper also talks about concerns about attempts at state-owned banks in other parts of the world, arguing that they are economically inefficient.
