### Ernst Jünger (Author of Storm of Steel)

He refused to take sides when even greater heroes were dying in the streets for their people. Although Jünger himself has long since passed on, his life, as well as his substantial body of work, remains as a testament to the power of imaginative conservatism. In all times and places, it is the pervasive manifestation of fear that the individual must overcome.

### Ernst Jünger

Being a high ranking officer in the occupying regime in Paris, cavorting with artists and picking up women who weren't your wife, probably was a pretty good gig. Benedict, Father Tomislav Kolakovic, and the need to build a Christian resistance to the coming soft totalitarianism, I see why the person recommended The Forest Passage to me. There in the shafts, oubliettes, and caverns we will be able to tarry and abandon ourselves to this world.

### Jünger, Ernst.

Gifts may be made online or by check mailed to the Institute at 9600 Long Point Rd. Can we really call them Whites or Aryans? Keep in mind that essays represent the opinions of the authors and do not necessarily reflect the views of The Imaginative Conservative or its editor or publisher. Even if ten out of twelve men had fallen, the two survivors would surely meet over a glass on their first evening off, and drink a silent toast to their comrades, and jestingly talk over their shared experiences.

**Ernst Jünger (GERMANY) — LEGION OF THE LOST: The True Experience of an American in the French Foreign Legion, by Jaime Salazar**

In all epochs there will be powers that seek to force a mask on him, at times totemic powers, at times magical or technical ones.

**Ernst Jünger (GERMANY) — LEGION OF THE LOST: The True Experience of an American in the French Foreign Legion, by Jaime Salazar**

What kind of human being, what kind of officer, would I be otherwise? Because they challenge the system and thus represent freedom. Waidson,

**The Adventures of Shylock Holmes: On Ernst Jünger, from WW1 to WW2**

Firstly, if he disliked the Nazis so much, how did he end up in the Wehrmacht under Hitler? And remember, this is from a man most famous for glorifying war! This shows a side of things that doesn't fit neatly into standard narratives about the Holocaust. War was not incongruent with the expansionist economic and political tendencies of global powers. The speed at which machines can make decisions in the future is likely to challenge our ability to cope, demanding a new relationship between man and machine.
