### Deadlight 2!? :: Deadlight General Discussions

If you enjoy horror games, zombie stories, or action games that prioritize strategy over brute force, give Deadlight a try! Берайте и прячьтесь в этом неповторимом, грязном, разрушенном мире и пробивайтесь с боем через толпы мертвецов, помогая Рэндоллу найти семью. It's trickier to make accurate jumps, it takes time to accelerate and decelerate when running, and steep drops kill Randall on contact.
