## The objectives of teacher induction (1974 edition)

**Informal Induction:** This is an unplanned induction programme. Induction helps minimize the reality or cultural shock new employees undergo on joining a new organisation. **Introduction to the Officers of the Department and Visit to the Works Location and Environment:** After the new entrants are educated on the subjects indicated above at the Employment Bureau, they are sent to the department concerned where they are introduced to the supervisors in charge of the various sections and the Personnel Officer.

. Effective induction also helps integrate the new employees into the organisation and fosters the feeling of belongingness to the new organisation. The induction may last for few weeks or even months.

## Induction Programmes: Concept, Objectives and Phases of Induction Programme

This causes the initial anxiety for the new entrant. This may be simply an introduction to the new entrant about the job and organisation. Go through the following example of the induction programme carried out at TISCO.

## The objectives of teacher induction (1974 edition)

Terms and conditions of job including remuneration, working hours, holidays, promotional avenues, etc. Such type of induction programme is generally carried out by the medium and small-scale units.
