## Historical Background: Colonization of Pacific Islands

Located in the western Pacific, the Palauan archipelago is the westernmost portion of the Caroline Islands, which are in turn part of the Micronesian geographical subdivision of Oceania. The United States maintains a diplomatic delegation and an in Palau, but most aspects of the countries' relationship have to do with Compact-funded projects, which are the responsibility of the U.

## Rock Islands Southern Lagoon, Palau

Starting in 1993, a small group of American volunteers called The has searched the waters and jungles of Palau for information that could lead to the identification and recovery of these remains. On the last day of his trip, Berger says, a guide took him on a kayak trip to a cave called Ucheliungs, which a brochure noted held bones. There are also smaller numbers of Palauans of mixed or full.

## Archaeology: Bones, isles and videotape : Nature News

Under the compact, the was granted access to the islands for 50 years.

## Culture of Palau

That storyboards are a link between life as depicted on bai beams and modern life can he seen in the following sequence.

## Culture of Palau

Tokyo: Ministry of Foreign Affairs of Japan. However, there are some state run boats between islands as a cheaper alternative. Bruce Massee, and James Carucci.
