Mark Hanna

You felt that when you were invited into the family. As a young man he studied to become an electrical engineer, and he had just finished his courses and was preparing to take his state exams when the war started.

Knight of the air : the works and life of Antoine de Saint

He was able to effortlessly combine immense technical knowledge and prowess with an ability to offer practical advice and put one immediately at ease. He still wanted to do it the old way! Rosenstein shot down several more enemy aircraft and was even made Deputy Staffelführer squadron leader.

Knight of the Air: Oswald Boelcke

Timing: Applicants can start the pre-qualification process in January 2020, and must complete the full application by May 1, 2020. If representing a person, the Knight of Swords is an adult 20-35 years of age and usually male who has a strong personality, is quick-witted, a fast talker, intelligent, daring and rebellious.

Knight of the air : the works and life of Antoine de Saint

The courage with which they took on a fight with so superior a force was typical of the German fliers. He displayed each aircraft to its strengths and adjusted his profile for that machine. Well we were on around a 20-metre line at 30ft at high speed.
