and provincial and territorial government sources. The politics of exclusion in NAFTA echo the assumptions manifest in the making of the Treaty of Paris in 1783, in the transfer of the HBC titles to the Dominion of Canada in 1869—70 and in the making of the Meech Lake Accord in 1987.

MUFON

Histoire du Québec contemporain — Volume 2: Le Québec depuis 1930. After Tecumseh was killed in battle in 1813, the confederacy largely disintegrated.

Treaties with Indigenous Peoples in Canada

As of December 6, 2019, Mario Pelletier has been appointed the current Commissioner of the Canadian Coast Guard. By the time he was in his nineties, Booth had achieved a reputation of legendary proportions tinged with the romance of the northern woods, even though by 1919 his production was being eclipsed by W.

MUFON

Shawinigan Water and Power, 1898-1963 : formation et déclin d'un groupe industriel au Québec.
