## Country profiles

Does the United States Pose a Challenge for the EU? The lack of specificity of the recommendations was due mainly to a lack of existing scientific research. Instead, the court deemed it more likely new infections would stem from private gatherings of families and friendship groups, meat-processing plants, religious gatherings or community facilities. Improving Economies but Lingering Concerns The 2008-2009 global recession significantly affected EU economies, and the subsequent eurozone debt crisis sparked concerns about the fundamental structure and viability of the 19-member eurozone, the EU's flagship integration project.

## Which country has the world's best healthcare system?

Overview The European Union EU is a political and economic partnership that represents a unique form of cooperation among sovereign states. Decisions in some areas, such as foreign policy, require the unanimous approval of all 28 member states.

## Mental Health

Interestingly, perceived tensions between different racial and ethnic groups in Finland have been moving against the common current of the EU28, as a majority of western and northern European Member States experienced substantial increases in perceived tensions between 2011 and 2016. Nagy E, Watine J, Bunting PS, Onody R, Oosterhuis WP, Rogic D, Sandberg S, Boda K, Horvath AR, IFCC Task Force on the Global Campaign for Diabetes Mellitus: Do guidelines for the diagnosis and monitoring of diabetes mellitus fulfil the criteria of evidence-based guideline development?.

## Mental Health

There have been reports of varied but promising roll-out of COVID-19 vaccine in the Region. The EU would emerge from its current challenges more united and integrated. In the European Commission, HLY and the GALI are used in various contexts by different Directorate Generals DGs including DG Communication, DG Connect, DG Employment, DG Eurostat and DG SANTE Table.
