Malala has since become famous for her human rights advocacy, specifically for Pakistani women, and is the youngest woman to receive a Nobel Peace Prize. What exactly are short memoirs? There should be a clear story arc.

The 10 Best Memoirs of the Decade < Literary Hub

I needed this book; I think a lot of us do. Yes, there are plenty of her own handwritten notes and beautiful illustrations, but she also cobbles together family photographs and letters to tell this story through the generations. A formerly anonymous account of an infamous assault This is the best, most painful, most powerful memoir I have ever had the pleasure to read.

Memoirs

Many older memoirs contain little or no information about the writer, and are almost entirely concerned with other people. After a 17-year estrangement, Bartok is in an accident that causes memory loss, leading her to reconnect with a mother who is now homeless and dying of stomach cancer. The story of her hike is a brutal and honest one.

50 Essential Memoirs — Barnes & Noble Reads

A combination of legal decisions, advice from her mother, and stories of her strides towards gender equality make for a lasting memoir of a woman whose legacy endures. Plus, the design is awesome! He died just two days after the French publication, but the incredible book stands as a testament to his life.
