Piasa by Michael Kott

There he was active in investigations directed against the Communist espionage services of the Soviet Union and Warsaw Pact. He says: There are two 17th century French drawings of the Piasa.

Piasa bird

We care about Sun more so than Daniel, I think. They show how popular the Piasa image is in the area around Alton.

Piasa bird

What did it reveal about whomever drew it? It had the head of a bear, large disproportioned teeth, the horns of an elk, the scaly body of a large fish, and a bear's legs ending with eagle's claws. They sail to India and Africa and eventually end up in the Americas, where the explorers are killed - Sun being the only survivor, or so he believes.

Calgary's Manjit Piasa fined for providing services without immigration licence to more than 150 clients

art that's been on going in the Alton area for many years.

The Piasa Bird

To add to more confusion, John Russell published a different version of the Piasa Bird legend in the October 28, 1847, Illinois Journal of Springfield.

The Mythic Mississippi Project is tremendously grateful to Director, Center for Archaeological Investigations and Professor, Department of Anthropology, Southern Illinois University at Carbondale for the information he provides below about the Piasa. Differences in the descriptions of the same kind of animal can also result from differences in human observers and in the circumstances of their observations.

Marquette's Piasa, history, legend and mythology.

The Piasa was not evil but was dangerous because it possessed so much spiritual power. From Henry Lewis, *Das Illustrierte Mississippithal*, Dusseldorf, 1854. But they are good representative examples of Piasa
