State Car Seat Laws for the U.S.

Dedicated car accident attorneys can protect your rights and guide you through any legal actions. Nevada states that children under age 6 and 60 pounds ride in a federally approved car seat or booster seat that is appropriate for the child's age and weight. Children in rear-facing car seats can only ride in a vehicle seat with a frontal airbag if it is turned off.

Automobile Lemon Law

But, keep in mind that the deadline can be even shorter, and if it involves a government entity, it may be just a few months. Types of Car Accidents in Duluth, Georgia While accidents can happen practically anywhere, they can be particularly common at busy intersections and on crowded highways in the Duluth area.

Wisconsin Car Seat Law

Car seats must be installed in the rear seat if the child is less than 5 years old and weighs less than 40 pounds. If you fail to do so before the deadline, you will lose your right to hold the other party liable for your damages and injuries.
