The blacksmith might feel compelled to shut out the world, to exist internally, to favor self-sufficiency. Promises came to mind, like those that he had made to his father about how the brewery would diversify the income on the farm.

## Into The

There was a chance that Brendan Hough could help save the day. The immersive documentary plunges you deep into the dark.

## Door into the Dark opened the portals to a different future

GRUNTS AND PANTS Would you rather turn her over to the Clave to stand trial? But it also made him.
