Voices Of 20th Century

Peary describes planting the American flag at the North Pole.

20th Century Sounds

He was by no means the cheapest quote, just the opposite but you get what you pay for in this life.

Sounds of the 20th Century, Radio 2, Thursday The 4 O'Clock Show, Radio 4 Extra, Monday to Friday

The first wave attacks the beach. Featuring clips of the music, news, TV shows and films of each year from 2001 onwards, the series is made for the fans and is in no way affiliated with the original series or its makers. The Rock'n'Roll Years format — archive gear spliced with the music of the time, unmediated by voice-overs or talking heads — is well-tried on TV and radio, but there's still something rather grand and innovative about rolling it out across five decades and broadcasting it over 50 weeks, a year every week starting in 1951.

Radio review: Sounds of the Twentieth Century

Click on the magnifying glass to view the official status record for each trademark in a new window. Noisemakers were added, making the tone color of 20th-century music richer and more interesting. For the musicians in the audience, those three notes that make up the chimes are G, E and C.

Voices Of 20th Century

Stream the episode below or. Intel Inside Bong Composed by Walter Werzowa in his home studio, the five note logo is allegedly broadcast somewhere in the world every five minutes.
