## Martin and Osa Johnson's movie Their last Adventure

Very Good: spine ends and bottom edge of back cover bumped. World War II, of course, shut down operations, and it wasn't until the late forties that things got rolling again. In 1909 Cunninghame was selected to lead what was probably the best-publicized African safari, 's.

## Deluxe Safari Adventure

Zambia, formerly Northern Rhodesia until 1964, and Botswana, the Bechuanaland Protectorate until 1966. Captain William Cornwallis Harris realizes he is the first man to take the sable antelope, in the opinion of many the noblest, fiercest and most handsome of his kin on the African continent.

## Grand Teton National Park: 4

Used items may not include supplementary materials such as CDs or access codes. He asked me to help him take care of the Gatorclaw infestation in the area. The sun is high and ferocious in a sailcloth sky before the Hottentot hauls up at the edge of a series of low, broken ridges stuttered with rocky hills.

## Review: Safari, The Last Adventure

For a whole searing, sweat-soaked day he and a tracker ride without a glimpse of the elusive wraiths, the black guillotine of darkness leaving them to sleep on the faint spoor, exhausted and with only tea and biltong to eat. It would be as logical to suggest that a man who flew from New York to Johannesburg or Lusaka, Zambia, or Maun, Botswana, was equally unsporting rather than taking a windjammer.

## Topless Travel

Hauling up his pony, Harris leaps from the saddle only fifty yards away and sees the herd slow, then stop in curiosity, staring back at the odd white man, the iridescent purple-black skins of the loop-horned bulls gleaming like wet ebony in the summer sun.
